

## HAND CLEANER WIPES

Power wipes are very high quality waterless hand cleaner towels that remove heavy soils, grime, ink, etc. They contain 5 skin conditioners and an antiseptic agent and are solvent and VOC free.

**Power Wipes and Ultra Power Wipes Formula 2 hand cleaner towels are superior value hand cleaner/ towel combinations.**

Each dispensing canister contains 90, perforated, pop-up towels saturated with a special heavy duty hand cleaning solution.

### POWER WIPES

Size: 254 x 305mm

### ULTRA POWER WIPES

Size: 254 x 305mm

Power Wipes contain a smooth-textured towel while Ultra Power Wipes contain a dual-textured towel with purple scrubber on one side for deeper, faster cleaning.

Both durable towel choices are made from polypropylene material and stay moist for hours allowing for multiple uses.

## BIOLOGICAL STAIN REMOVER

**CAR PARKS, BLOCKED PAVING AND CONCRETE DRIVES, CONTAMINATED WITH VEHICLE OIL STAINS ARE UNSIGHTLY AND COULD CREATE A HAZARD WHEN LEFT UNTREATED.**

The removal of oil stains with traditional degreasers, particularly on porous block work, is extremely difficult and usually results in the oil stain extending to adjacent areas.

### THE SOLUTION

Use a biological oil stain remover that:

- Removes and digests oil stains quickly
- Penetrates and lifts oil from porous surfaces effectively
- Is without risk to the environment

A unique, biological product that contains biodegradable surfactants to release oil stains from even the most porous surfaces, and enzymes and bacteria to digest the released oil. 1 litre treats 10-25 sq.ft (depending on surface porosity). Not suitable for tarmac surfaces.
