

HIGHLY FLAMMABLE MATERIAL BINS

STEEL

For the safe disposal of cloths and other types of rubbish that has been contaminated with flammable liquids or liquids that can pollute the environment. Manufactured from painted galvanised steel they feature self closing lids, natural ventilation via bin base, and can be operated by either hand or foot pedal.

| PRODUCT CODE | SIZE | CAPACITY | PRICE |
|-------------------|-------------------|----------|--------|
| Steel Bins | | | |
| DLA1094 | 400(w) x 425(d)mm | 23ltrs | £75.50 |
| DLA1095 | 495(w) x 520(d)mm | 53ltrs | £85.17 |

For the safe disposal of items contaminated with aggressive or corrosive liquids.

| PRODUCT CODE | SIZE | CAPACITY | PRICE |
|--------------------------|-------------------|----------|--------|
| Polyethylene Bins | | | |
| DLA1096 | 420(w) x 400(h)mm | 23ltrs | £69.50 |
| DLA1097 | 560(w) x 530(h)mm | 53ltrs | £82.50 |

PLUNGER CANS

STEEL

For the safe moistening of cleaning cloths etc. Painted yellow these galvanised steel cans feature brass pumps that carry the liquid to the top plate which is mounted on a spring. A flame barrier is included and the units are economical to use as any unused liquid flows back in to the container.

POLYETHYLENE

All the features of the steel cans but made of 4mm polyethylene which is both shock resistant and explosion proof.

| PRODUCT CODE | CAPACITY | PRICE |
|-----------------------------|----------|--------|
| Steel Plunger | | |
| DLA1098 | 1ltr | £59.20 |
| DLA1099 | 2ltrs | £61.20 |
| DLA1100 | 4ltrs | £67.50 |
| Polyethylene Plunger | | |
| DLA11011 | 1ltr | £58.50 |
| DLA11012 | 2ltrs | £59.80 |
| DLA11014 | 4ltrs | £62.00 |

The items shown represent the more popular products and sizes in the range of safety containers, however many more sizes and types are available on request, i.e. jerry cans, laboratory cans (with and without tilting stands), cans with self closing taps, bench cans and dip and wash cans.

We can also quote on the "Just Rite" range of safety container equipment.
